

Eliminators

Spare parts guide

Key benefits

- Maximum operational safety
- Legal compliance
- Original thermal performance
- Easy cleaning
- Dry surroundings by minimum drift emission
- Certified by the Eurovent Certification Company

BAC eliminator types

[1. Blade type](#)

[2. Cellular type](#)

[3. Metal type](#)

[4. Cassette type](#)

[5. Fill integrated type](#)

BAC original drift eliminators efficiently minimize the water drift emission and give you maximum confidence in the reliability of your cooling system.

All BAC eliminators are tested in our R&D laboratories to guarantee **maximum drift capture** and **thermal performance of the unit**.

That's why you should choose for **original BAC eliminators** for replacement. Check in the table below which eliminators you need for replacement or upgrading your BAC cooling equipment.
